

Preparing to use Adobe Connect for a reSolve webinar

Using the Adobe Connect platform on a mobile device (iOS or Android)

Download the Adobe Connect for free via:

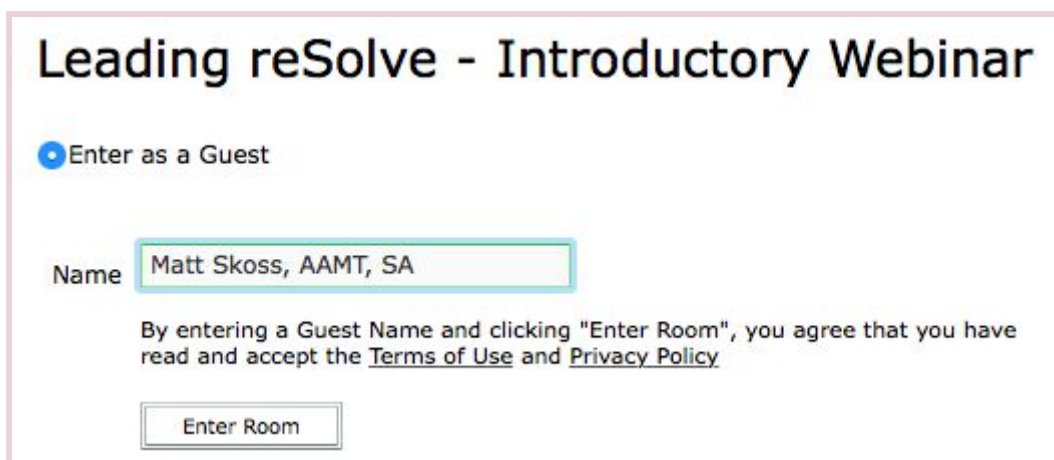

iOS: <https://itunes.apple.com/au/app/adobe-connect/id430437503?mt=8>

Android: <https://play.google.com/store/apps/details?id=air.com.adobe.connectpro&hl=en>

Refer to steps below for further instructions.

Using the Adobe Connect platform on a computer (Mac or PC)

1. In a web browser, enter <http://aamt.adobeconnect.com/webinar1>
2. When entering your name, please include your surname, school and state/territory
Eg. Marc Bolan, Centralian Senior College, NT

The screenshot shows a registration form titled "Leading reSolve - Introductory Webinar". It has a radio button selected for "Enter as a Guest". Below this is a text input field for "Name" containing "Matt Skoss, AAMT, SA". A disclaimer states: "By entering a Guest Name and clicking 'Enter Room', you agree that you have read and accept the [Terms of Use](#) and [Privacy Policy](#)". At the bottom is an "Enter Room" button.

3. After clicking on **Enter Room**, you will need to install the **Adobe Connect Add-In**. This should happen automatically, and give you these instructions:

Thank you for downloading the Adobe Connect Add-in
The Add-in download will begin in a moment. If it doesn't, [restart the download](#).

1. Open the Installer

Locate the installer file and double click to install.

2. Click 'Yes' or 'Run'

Authorize the installer using the security dialog and follow the instructions.

3. Join the Meeting

[Launch Adobe Connect](#)

4. You will be prompted to install the **Adobe Connect Add-In**, so will need Administrator access to your computer.

5. When installed, click on the **Launch Adobe Connect** button.

It is worthwhile storing the installer file for the Adobe Connect Add-In on your desktop, in case you need it.

6. Once installed, you should see this screen.

<insert typical Adobe Connect screen> with reSolve logo in background.
